

# DataMasker For Salesforce sandbox

Your real customer data in sandbox can be exposed to breach risks & fines. InfoSec policies & GDPR, CCPA, CPRA, LGPD & HIPAA may require you to secure & comply it by masking.

DataMasker® replaces real data & PII with dummy data. Automate your sandbox mask, delete or erase with the most battle tested AppExchange app...Today!

## 99 Million records in 24 hours - World's fastest on-platform masking

### Prevent Email Blasts

Don't have any Automation accidents on your watch

### Get 3X Faster

Get platform access sooner with Hi-Speed masking

### Mask Your Own Way!

Give every sandbox, the right masking treatment

**Deloitte.**

Nice App. Simple yet powerful. Love the ability to add a "where" condition. Only records that you want to, and more.

Customer trust is our first priority. We look for the most robust data security and privacy solution to safeguard it.

**Adrien Feudjio**  
Technical System  
Engineer, Cisco Systems

**John Prokos**  
VP - Technology,  
Education First

### 3 Week Go-Live

Why wait? Secure your data sooner with our 'Clicks, not code' apps & pre-built APIs.

### 3X PERFORMANCE

Mask up to 5M/hour. Avoid gruntwork by automating what other solutions can't.

### 1/3<sup>RD</sup> THE PRICE

Why pay more? Our licensing comes with free support & future upgrades.

# DataMasker for Salesforce

Sandbox Breaches, Fines, Accidents? No More.

## Limit Access To Real Data

Securely let your partners & 3rd parties into sandbox. Delete, erase or replace your sensitive info with dummy data in few clicks.

## Mask For Usability

Prepare your sandbox for specific business needs. Apply different masking for Dev, Test, UAT to keep their data relatable.
